## STUDENT MOCK ELECTION

### Join Us!

**The 2010 MyVote California Student Mock Election is on Tuesday, October 26!**

The **MyVote California Student Mock Election** helps young people discover the importance of elections and the power of their votes in our democracy. It gives high school and middle school students first-hand experience with the electoral process by giving them a chance to make their voices heard on the candidates and issues important to them and their families.

### Here's How

Schools register at [www.sos.ca.gov/elections/studentmockelection.htm](http://www.sos.ca.gov/elections/studentmockelection.htm) and select a Student Mock Election Coordinator. The Coordinator serves as the school's primary contact to receive and distribute updates on the Student Mock Election to participating teachers, and report the final schoolwide vote tally to the Secretary of State's office.

The mock election could become a project for the student government, either alone or with other student groups. Or it might involve a broader committee of students, teachers, parents and community volunteers. Voting can take place in classrooms or in one central location on campus. Schools decide on the location and add their own creative touches to make their mock election a rewarding experience.

### Tools and Resources

Engaging, standards-based lesson plans and activities, selected for the **Student Mock Election** by the California Campaign for the Civic Mission of Schools, can help teachers prepare their students to become informed and involved voters. The following mock election tools and resources are available on the **MyVote California Student Mock Election** web page at [www.sos.ca.gov/elections/studentmockelection.htm](http://www.sos.ca.gov/elections/studentmockelection.htm):
