April 3, 2010

Dear Career Day Participant,

We are so happy that you have chosen to share part of your day with our seniors at Leigh High School Tuesday April 27, 2010. I hope this will be a rewarding experience both for you and for the students. Those of you who will also be joining us on Day 2 (Wednesday) will be hearing directly from Junior Achievement. This letter contains our career day agenda, a checklist of items to bring that day, a list of presentation questions you can prepare to answer, an approximate number of students you will be speaking to (note that some sectors had to be combined with others), a list of all speakers from each sector, and **a form for you to fill in and e mail back to me as soon as possible.**

#### **Agenda for the day-Tuesday 4/27/10**

- 9:30AM Speakers check in and Orientation (Room 100)  
10:00AM Leigh seniors arrive at General Session  
10:15AM General session Introductions and Announcements  
10:30AM Industry Sector Break-out sessions
- ◆ During this time you and other speakers from your sector will form an industry panel and evenly split your time talking about your individual careers and paths to success. Plan on speaking for about 15 minutes each and then allow time for questions)
- 12:00PM Business Speakers return to room 100 to turn in evaluation forms

#### **What to bring that day**

- ☺ Business cards
- ☺ Any props you want to use during your session
- ☺ Any written information pertaining to this career sector in the future
- ☺ Promotional giveaways (if you have any)

Extra materials, business cards, etc...not distributed on day one will be made available the next day for students who might be interested in your profession but attended another session on day one. Day two of the career fair will feature business people helping students with resume writing and job interview skills

#### **Career Day Speaker Guidelines**

On the next page you will find a form that asks you to answer questions about the path(s) that led you to your current career, your job(s) in high school and college, transferrable skills you learned from those jobs, and advice you might have for teens that want to succeed in their future career. We would like you to type and e mail it back to us so we can make copies and have them available for the students at Career Day. Page 3 of this document contains a list of questions you and your colleagues can speak about during your presentation with the students. Page three contains some additional questions you can prepare for incase there is time as well as the approximate number of students and other speakers that will be in your industry sector break out room. Please note that some sectors needed to be combined. You will be sharing approximately 90 minutes with the other speakers in your sector.

Thank you in advance for your participation and support. Please let me know if you have any questions. I can be reached by email at [tslaviero@cuhd.org](mailto:tslaviero@cuhd.org) or phone (408) 406-7110.
