

AVID

Awareness Session

DESCRIPTION

This unique opportunity is designed to help school teams learn more about the AVID program and how to successfully implement AVID. Presenters will include members of the Region V AVID Team and experienced AVID teachers/coordinators from host sites. Visits to AVID classrooms and opportunities to talk with AVID students will be included in all sessions.

AUDIENCE

Teachers, counselors and site and district administrators are encouraged to attend as a team.

OUTCOMES

- Understand how to successfully implement AVID.
- Learn how to recruit AVID students.
- Prepare for sending a team to summer institute.
- See AVID in action at a school.
- Receive useful tools for planning AVID implementation.
