Leadership In Instruction

Teaching, Learning & Technology

February 25-27, 2008

Building District Instructional Technology Leaders

2008

Program Benefits

The CTAP Region V Leadership in Instruction Program offers

the following opportunities for building an effective instructional professional development program in your district:

- **Leadership skills** for educators based on proven research-based models and strategies
- **Free and discounted tools, resources, and trainings** with a focus on student achievement, CA Standards and state-adopted materials
- **Ongoing coaching and support** of district leaders in the delivery of a successful professional development program
- **Face-to-face and web-based events** with access to a library of electronic tools, resources and model lessons

Professional Development Opportunities

- Build a district professional development plan aligned with district/school goals
- Participate in a professional learning community of educational leaders (face to face, web and e-meetings) for increased collaboration

Eligibility & Requirements

Participation is primarily limited to one leader per district. It is essential that participants receive full support from their districts.

Participant agrees to:

- Attend Orientation Meeting
- Attend 3-day "CTAP Leadership Foundation Institute" (LFI) training: February 26-28, 2008
- Utilize the CTAP Region 5 tools and resources to build customized professional development trainings in their district
- Communicate and collaborate with regional network of district leaders

District agrees to:

- Attend Orientation Meeting with potential participant(s)

- Consent to participant's attendance at Foundation Institute, 3 regional seminars, monthly 2 hr. meetings
- Provide participant access to teachers and administrators for delivery of trainings
- Attend regional seminar for Capstone Event: April 23, 2008; Capstone Spring 2009:TBD

Program Incentives

- Join 4-county network of educational technology leaders to share challenges, solutions, and successes
- Receive licenses for CTAP-funded tools and resources at free and discounted rates
- Develop skills with innovative technologies: blogs, wikies, podcasting, Blackboard e-Learning, Moodle, Curriculum Companion, and others
- Enrollment Opportunities:
 - Administrative Credential programs at the Santa Clara COE (Tiers I and II)
 - Cognitive Coaching
 - Online Courses & Trainings
