CTAP DATA ACADEMY 2007-2008

Region V

Monterey
Santa Clara
Santa Cruz
San Benito

CTAP V Data Academy

Districts and schools in the region will bring school site leadership teams to the Region 5 Data Academy, a three-day training on data driven decision-making and implementation.

This 3-day training and ongoing follow-up offering is limited to 25 schools! -\$500 Value School pays only \$100!

What is its purpose?

CTAP Region 5, School Plan, RSDSS, and COE invite principals and their school site leadership teams within the 4-county region for training and ongoing support of data driven decision making.

What are the outcomes?

School site and district level administrators will:

- ▶ Build Capacity for implementing data-driven decision making by extracting and analyzing school data
- ▶ **Develop a Single Plan for Student Achievement (SPSA)**
- ▶ Forecast trends for improving student achievement.

Who is the audience?

All school administrators are invited with a particular focus on **Program Improvement (PI) Schools and Deciles 1-3** who are striving to deepen their understanding and skills for evaluating student progress creating required reports developing informed site plans.

Registration to begin Monday, January 7, 2008. Click here! <http://ctap5.k12oms.org>

Three Days of Data Academy!

Day 1: Free

Participants will master concepts and skills to build local assessments specific to language arts and math.

Day 2: Free

Participants will build a Single Site Plan including SMART goals and consensus-building. (Prerequisite: Day 1)

Day 3: \$100 per School Site (\$395 Stipend: RSDSS/CTAP)

Apply skills and concepts learned in Day 1 and 2 for writing a digital Single Site Plan using School Plan Software in the completion of a Single Plan and SARC.

(Prerequisites: Days 1 & 2).

Includes:

- ▶ 1 yr Subscription to School Plan
- ▶ Full Site Access to Administrators, Teachers and Parents

Registration to begin Monday, January 7, 2008.
