

JOIN THE FUN!

FEBRUARY 9-17, 2008

Events that entertain and educate students in Grades K-6 about fitness and nutrition. This includes a Bookfair with Barnes & Noble: a percentage of all Bookfair sales will be donated by Barnes & Noble to the Santa Clara County Office of Education for distribution to its schools for equipment, books, and *fit for learning* Curriculum Resource Guides*. For more information about these or other events planned for the Festival, call the SCCOE at (408) 453-6992 or visit the website at www.fitforlearning.org.

*See store for details.

fit for learning festival

Entertainment/Games/Prizes... all with easy-to-remember tips on Fitness & Nutrition

Kaiser Permanente's Educational Theatre Programs:

Singing, dancing, and lots of audience participation!

In the hands of professional performers/educators, colorful characters will dazzle and delight while sharing important information about nutrition, literacy, exercise, and more!

Music That Makes You Smile... and Move!

Sing along with children's songwriter/musician David Sharpe (PapaHugs) who will debut his newest song, *fit for learning*, along with costume character, *Fitness the Frog*, created just for this festival.
