TEAM REGISTRATION

- Team members should be those who impact decisions affecting mathematics instruction at the site or district: Superintendents, district curriculum specialists, site principals, math coaches, lead teachers, etc.
We recommend bringing a district team of 3-6 members representing both an elementary and secondary perspective. Ideal teams include district level administration, site administrators and teacher leaders.

LOCATION & REGISTRATION

- **Location:** Parkside Hall, 180 Park Avenue, San Jose, CA 95113
- **Registration Fee:** \$150.00 per person with paid registration on or before April 11, 2008; \$200.00 per person with paid registration after April 11, 2008
