

# Improving College Readiness in Mathematics: Early Assessment Program (EAP)

## Professional Development for Teachers of High School Mathematics

### Participants will:

- Complete a one-hour online component to increase their knowledge and understanding of the Early Assessment Program.
- Bring samples of student work generated by the online homework assignment for a discussion of teaching strategies that prevent student errors.
- Attend a one day session to increase their expertise in identifying or developing high quality mathematics problems that grow and assess students' mathematical understanding.
- Learn how to improve students' readiness for college mathematics.

**NO  
COST!**

First **register** by completing the 1-hour online component:

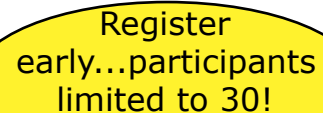

1. Visit <http://pd.csusuccess.org/>
2. Create a login account.
3. *Login and complete the online component at least 1-2 weeks prior to the workshop so you have time to complete the homework assignment.*  
*Registration deadline is April 8th.*
4. At any time during your online component, click on "Register now for a face-to-face-workshop," and follow the directions on the screen.

Breakfast,  
lunch and  
materials  
will be  
provided!

Then **attend** the face-to-face session at the Santa Clara County Office of Education (Cupertino Room), 1290 Ridder Park Drive San Jose, CA 95131

\* Tuesday, April 22, 2008 - 8:00 a.m. - 3:30 p.m.

Register  
early...participants  
limited to 30!

Participants can receive one semester unit from UOP for attending this professional development.
