From the SJSU College of Education, English Department, Early Assessment Program, and local schools:

Dr. Marina Aminy (SJSU)  
Project Co-Director  
[Marina.Aminy@sjsu.edu](mailto:Marina.Aminy@sjsu.edu)

Tom Reisz (SJSU)  
Project Co-Director  
[Tom.Reisz@sjsu.edu](mailto:Tom.Reisz@sjsu.edu)

Dr. Jonathan Lovell (SJSU)  
Leadership Team  
[jhlovell@pacbell.net](mailto:jhlovell@pacbell.net)

Dr. Mary Warner (SJSU)  
Leadership Team  
[mwarner@email.sjsu.edu](mailto:mwarner@email.sjsu.edu)

Steven Sinclair (COE)  
Leadership Team  
[Steven.Sinclair@sccoe.org](mailto:Steven.Sinclair@sccoe.org)

Brook Wallace (Westmont HS)  
Leadership Team  
[bwallace@cuhds.org](mailto:bwallace@cuhds.org)

**Do you want...**

- your students to improve textbook comprehension?
- more of your students to succeed in college?
- professional development, graduate credits, 2<sup>nd</sup> year induction credits, and a \$1500 honorarium, too?

Come to San José State University's

Reading Institute  
for Academic  
Preparation!

**RIAP**

**Hurry! Limited to  
30 participants!!!**

Registration  
priority given to  
teacher teams  
from the same  
school site!

We particularly  
encourage social  
science and  
science teachers  
to sign up!

## Overview of the Institute

### What?

- Learn to integrate literacy skills into your content areas
- Implement academic writing strategies and templates in your classroom
- Work with colleagues in an interactive environment
- Conduct an exciting college access study focusing on your implementation of RIAP materials

### When?

- Two Friday (4 - 7)/Saturday (9 - 2) meetings on April 18 – 19 and May 30 – 31, 2008
- A weeklong Summer Intensive program: August 4 – 8, 2008 (M – F, 8:30 – 3)
- Two Friday (4 - 7)/Saturday (9 - 2) meetings in Fall 2008 (dates TBD)

### Compensation?

- \$1500 honorarium upon completion of program requirements
- Two to three salary-enhancing units from the SJSU College of Education
- Second year induction credit in ELL and Technology.
- Books, resources, and teaching materials to take with you and use in

## Institute Activities

- Learning strategies for improving academic reading and writing across the curriculum
- Fostering fluency in academic language
- Teaching academic vocabulary
- Refining academic writing
- Creating "text sets" to reach students at different reading levels
- Implementing the Expository Reading & Writing Course lesson template in different content areas
- Exploring Early Assessment Program resources for teachers and students
- Understanding test-taking strategies
- Reviewing site-specific data to guide student improvement
- Developing leadership skills for sharing institute content with other teachers
