

Secondary Literacy Summit IX

**Best Practices for School-Wide Literacy:
Systems and Strategies**

SAVE-THE-DATE!

April 1-2, 2009
Hilton Orange County
3050 Bristol Street
Costa Mesa, CA

Sessions will be designed for teachers, administrators, and specialists and will highlight best practices for benchmark, strategic and intensive interventions, and closing the achievement gap for English learners and special needs students. School panels will present sessions on program improvement and academic achievement. Sessions will be offered for content area teachers. We will also offer sessions on ELA adopted materials.

Consider using these professional development funding sources:
Title I, Title II, Title III,
High Priority Schools Grant (HPSG),
Quality Education Investment Act (QEIA)
