

2ND ANNUAL CYBERCITIZENSHIP SUMMIT

BROUGHT TO YOU BY CTAP REGION V & YAHOO!

OCTOBER 3
2008

CYBER BULLYING GUIDING OUR STUDENTS' DIGITAL FOOTPRINT

Presented by CTAP Region V & Yahoo! Inc.

To all K - 12 site and district administrators:
You are invited to attend a highly engaging day of conversation with nationally known cyber safety experts. You will have first-hand access to the leading child internet safety experts to better inform your district's decision making for cyber ethics. Apply the knowledge and resources gained at this event to guide the modification and implementation of your school's/district's Acceptable Use Policy (AUP) on the biggest safety issue kids face today—cyber bullying.

KEYNOTE SPEAKER

Chris Lehmann's Science Leadership Academy in Philadelphia has transformed education for the 21st century. With a mastery of interdisciplinary learning and a focus on merging technology with project based learning, Lehmann has created an environment where teachers are energized to lead and students are truly excited to learn.

"Our job is to create 21st century citizens. We need workers, yes, but we also need scholars, activists, parents—compassionate, engaged people... We're reinventing schools to help kids be adaptable in a world that is changing at a blinding rate."

—Chris Lehmann, voted one of the National School Board Association's "20 to Watch" among American administrators in 2006.
