

Equity and Access for Students

'Closing the Achievement Gap'

Tier II - District Level Leadership

Series Overview:

Sessions are designed for advanced or semi-skilled district equity teams who are committed to deepening their understanding of the key principles of Equity™.

In this series, leadership teams will be expected to: develop or refine an Equity Action Plan; complete intersession assignments to further implementation; identify quantitative and qualitative data to measure growth; conduct classroom Equity Walks™ and culturally conscious coaching sessions.

Presenter:

Edwin L. Javius, President and CEO of EDEquity, Inc., has an extensive experience in culturally conscious coaching, equity walks, data analysis protocols and principal leadership training.

Target Audience:

District Administrators, District Office Teams, Site Administration and School Leaders

Module 1

Review the Key Principles of Equity™ and the Equity improvement cycle; assess district/site level of Equity implementation.

Module II

Analyze progress on Equity systemwide implementation rubric. Identify key areas for support. Develop Equity Action Plan. Identify data points and key indicators of success.

Module III

Refine Professional Learning Communities (PLC) practice through an Equity lens. Review Equity Walk™ protocol.

Module IV

Refine Equity Walk™ practice and culturally conscious coaching skills through reflective questioning and courageous conversations.

Module V

Assess district/school progress indicators. Celebrate successes and identify areas for growth.
