iTELL: Integrating Technology for English Language Learners

Monterey COE June 24-26
 Santa Cruz COE June 29-July 1
 Santa Clara COE Aug 5-7
 San Benito COE July 30-31 + two after school sessions on Sep 3 & Dec 3
All sessions run 9:00 am-3:30 pm

iTELL helps teachers optimize learning, enhance student engagement, and promote high levels of content knowledge for ELL students by infusing powerful technology-enhanced strategies into teaching and learning. Research-based strategies are used in conjunction with technology to increase student motivation and learning. Learn how to make a difference - using technology - to support ELL students in your classroom. **Space limited to 25 participants per session.**

21st Century Classroom: Teacher as Learner, Learner as Teacher

June 16-17 Santa Clara COE
 July 16-17 Monterey COE
 Aug 3-4 Santa Cruz COE
All sessions run 8:30-3:30.

Effective 21st century teachers are effective 21st century learners first. In this two-day intensive academy, teachers get a taste of both. Day one focuses on teachers as learners and guides them through an array of online resources. Tools such as blogs, wikis, advanced searches, news aggregators, and social networks are used to access, evaluate, and maintain information. Day two transitions to teaching with these same 21st century tools and attitudes of mind. Join us for an invigorating, practice-changing two days. **Space limited to 25 participants per session.**

Admin Academy: Web 2.0 for Administrators

June 18 San Benito COE
 June 23 Santa Clara COE
 July 8 Monterey COE
All sessions run 8:30-3:30.

Web 2.0 tools promote communication, collaboration, and community. Through an administrator’s lens, participants explore blogs, multimedia, online meetings, online polls and surveys, and collaborative documents and sites. Administrators will leave with tools they can use today in their work with students, parents, and staff. Join us for one exciting day that can give new perspective on leadership using 21st century technologies. **Space limited to 25 participants per session. Session qualifies for Administrative Credential Tier II practicum hours.**
