

RtI²

**Response to Instruction and Intervention:
Providing Equity and Access for All Students
Positive Behavioral Interventions and Supports
(PBIS)**

Presenter: Chris Borgmeier, Ph.D., Portland State University

PBIS is a systems approach for establishing the social culture and individual behavior supports needed for schools to achieve both social and academic success for all students while preventing problem behaviors.

Part II

Date: November 12, 2009

Dr. Borgmeier continues to share his expertise and strategies for successful PBIS implementation. This workshop will focus on Tier II and Tier III schoolwide, classroom, and individual student support systems. Specific strategies and targeted interventions such as Check In/ Check Out will be shared. Participants will see examples of Behavior Intervention Plans (BIPs) based on Functional Analysis Assessments (FAAs) and learn how these are used in successful PBIS implementation.
