SPEAKER

Clay Roberts, MS, is a senior trainer with Vision Training Associates and the founder of Roberts & Associates, a national educational consulting firm that has advised the U.S. Department of Health and Human Services, the U.S. Department of Justice, the National Cancer Institute, the Disney Channel, Mothers Against Drunk Driving, and the American Medical Association. He has been featured on NBC's *Today Show* as a prevention expert, and his programs have been highlighted on *Frontline* and in *Good Housekeeping*, *Newsweek*, and *U.S. News & World Report*. He lives in Bellevue, Washington.

OBJECTIVES

- ◆ Participants will understand the importance of a common vision and language about Asset Building for Youth and be motivated to take action to implement their plan
- ◆ Attendees will be exposed to resources to assist in moving forward with the completion of Improvement Goals
- ◆ Participants will understand the link between Health & Wellness and Academic Achievement
- ◆ Participants will develop an action plan and/or policy linked to Coordinated School Health which will impact student performance at school sites
