

Media, Design and Arts Pathway Professional Learning Community For Implementation of Arts, Media and Entertainment Tech Prep Grant

September 2010- June 2011
Hosted by the Santa Clara County CTE Department

Computer Graphic, Web Page Design and Animation teachers are invited to join the first countywide Arts, Media and Entertainment Professional Learning Community. It will be a cohort of up to 20 teachers. To join the collaborative, email or call Alyssa Lynch at Alyssa_lynch@sccoe.org, (408) 453-4329.

Participants will:

- Receive **FREE** professional development through Adobe
- Classroom **Substitutes** and **Stipends** are paid
- Develop local business partners to provide industry student internships
- Share lesson plans, best practices and review student data
- Engage in meaningful relationships with other Arts and Media instructors
- Participate in fieldtrips to businesses and community colleges
- Participate in a countywide group advisory meeting
- And much, much more... (see the *TP Demonstration Timeline* on next page)
