Textbook: Modern Dental Assisting 9 th Ed	80.00
Lab/Materials Fee	<u>595.00</u>
Total Cost of program:	\$ 675.00

Price Subject to change

Payment accepted: cash, check, MasterCard and Visa
Students who have a check returned for insufficient funds will be dropped from the class.

Additionally students will need to provide (2) smocks and appropriate shoes.

Vaccine Requirement: At the time of payment, students are required to provide documentation that indicates the Hepatitis B injection series has been completed or started. **Students will not be admitted into the Dental Assisting Program without appropriate documentation**

Jobs & Certification: At present, there is a great demand for trained dental assistants in this area. Dental assistants can earn from \$10 - \$20 per hour. Students will be Dental of Board of California certified to take x-rays after passing the state exam.
http://www.dbc.ca.gov/applicants/rda/course_rs.shtml
After one year of full time employment in a dental office, students are eligible to take the Registered Dental Assistant (RDA) exam. ROP does not provide job placement, however we teach students all aspects of a successful job search.

Registration: *25 spaces available*
