SchoolPlan – SchoolCharts Version 2.1
Release Notes
April 2, 2007

Dear SchoolCharts User,

SchoolCharts now includes 2006 Base API data. SchoolCharts includes charts of API data at the County, District and School level. At each level, users have access to data disaggregated by ethnic and program sub-groups. Charts may be inserted into presentations and word processing documents. If you have any questions about accessing or using SchoolCharts, contact the Santa Clara County Office of Education:

- Email: dan_mason@sccoe.org
- Phone number: 408-247-4346

These charts can also be accessed through two other SchoolPlan modules:

- Planning and Reporting Module
- Data Management Module

Reference the California Department of Education website for the article, [“Academic Performance Index An Agent of Change in California Education”](#), to learn more about the API.

For a summary of the 2006 Base API results, see the [CDE press release](#).
