

State Reporting

State Assessment & Accountability Reporting System

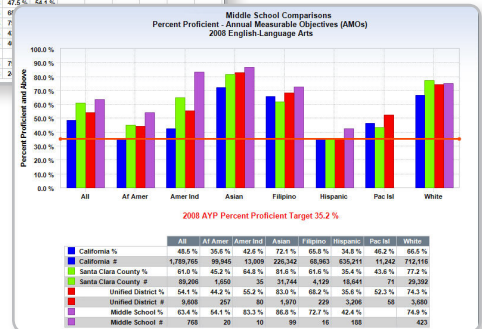

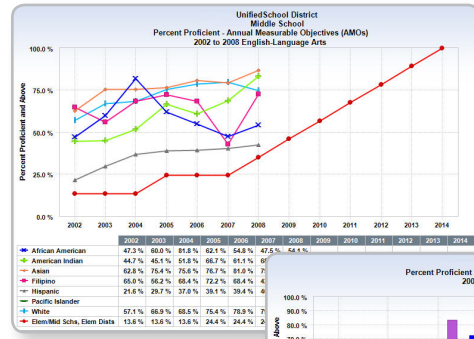

SchoolCharts™ is a state assessment & accountability charting and reporting system. It instantly provides over 200 charts illustrating state assessment results for every school and district in the state. Charts are pre-formatted for easy comparison of data by grade, subgroup and subject for state assessments and AYP results.

What's included in SchoolCharts™?

- ▶ API and AYP accountability results
- ▶ CST, CAHSEE, CAT6, CELDT and PFT assessment results
- ▶ Over 200 beautifully formatted color charts
- ▶ 5+ years of historical (and current) data
- ▶ Data is pre-loaded for all (est.) 10,000 schools, 1,000 districts and 58 California counties
- ▶ Data is updated regularly and released often the same day as CDE

What can I do with SchoolCharts™?

- ▶ Compare school results to district, county and the state
- ▶ Disaggregate by program and other NCLB subgroups
- ▶ View trends across multiple years of data to help identify strengths and challenges
- ▶ Copy, save or print charts immediately from the screen
- ▶ Generate PDF files to share and archive results
- ▶ Insert charts into PowerPoint® for presentations to the community, school board and the media
- ▶ Use data to help prepare school report cards and improvement plans (SARC & SPSA)
- ▶ Generate school-level accountability reports

What are customers saying about SchoolCharts™?

"SchoolCharts™ is really easy to use because basically what's on the web-site is automatically transferred into whatever report you are generating... it was extremely easy".

Wanny Hersey, Superintendent
Bullis Charter School, Los Altos, CA
(Santa Clara County Office of Education)
